### Customer Bill Message

Beginning on January 1, 2020, the prices, service descriptions and the terms and conditions for services will no longer be on file with the South Carolina Public Service Commission . This allows Windstream to offer new services without delays associated with regulatory filings. This update has no immediate effects on the provisioning or pricing of your services in South Carolina. Windstream must still provide a customer notice in advance of rate increases, changes in terms and conditions, and the discontinuance of existing services.
